Tips and tricks to make the most out of the convening:

- ⇒ **Each day has a different Zoom link.** Just click on each “join here” link and fill out the short registration. You can also register in advance and save sessions to your calendar.
- ⇒ **Please have your computer camera and speakers ready.** We want to see you during our virtual breakouts! Don’t have a microphone, learn how to call in here.
- ⇒ **Need help with your tech? We can help!** Nikki Campbell can help make your technology work for the virtual meeting, before or during the convening.
